### CHÂTEAU DE HAUTE-SERRE

70

*Georges Vigouroux, Cahors, Malbec/Merlot*

Ce vin bénéficie outre du terroir exceptionnel de Haute-Serre, du savoir-faire d'une équipe technique performante qui conçoit ici une cuvée différente du Château classique, assemblage de Malbec et de Merlot, élevée en cuve.

Le Château Lafleur de Haute-Serre, bien que construit sur une structure puissante, présente des tanins mûrs et veloutés. Les fruits noirs et confits enveloppent parfaitement les polyphénols, rendant l'ensemble extrêmement aimable à la dégustation. Un Cahors charmeur à déguster en toutes occasions.

This wine benefits from our exceptional 'terroir' and the expertise of a high-performance technical team that conceived a blend of Malbec and Merlot matured in vats.

Well-built and powerful, the tannins are ripe and velvety.

Lovely brilliant color of dark red. Very fine nose. In mouth, it shows its soft tannins. The concentration of flavors reminds one of redcurrant jelly. Fine structure and elegance.

### LA SCOLCA GOLD

55

*Gavi, Piemonte, Cortese*

La Scolca was founded in 1919 in the Gavi region of Piedmont. It is considered to be the first producer of quality Gavi and ranks among the most historic white wine producers in Italy. The Soldati Family has been attributed to saving the Cortese grape after the Second World War by focusing all of their efforts on their vineyards and creating high quality wines. The winery is still family owned and operated.

Marine air tempers the cool mountain breezes and sunny days are ideal for the slow ripening of white wine grapes. The vines are planted on steep slopes on calcareous-clay and volcanic soils with iron and veins of chalky limestone similar to that found in Champagne and Chablis, providing a flinty character. The use of natural yeasts preserves the Cortese's subtle fruit, flinty acidity and structure. These are fresh, crisp and pure whites. Light straw in color with green undertones. Zesty lemon aromas with some almond and stone fruit notes. Crisp, lively, mineral character with sharp acidity and a refreshing, lasting finish.
